## WELCOME TO ICSV29, PRAGUE, CZECH REPUBLIC

The International Institute of Acoustics and Vibration, The Czech Acoustical Society and The Czech Society for Mechanics are pleased to invite scientists and engineers from all over the world to attend the **29th International Congress on Sound and Vibration (ICSV29)** to be held in **Prague 9-13 July 2023**.

Join the leading event in the area of acoustics and vibration that provides a great opportunity for scientists and engineers to share the latest research results, exchange new ideas and discuss all professional issues related to this field.

We look forward to seeing you in Prague, the historical city of bridges and spires, a real treasure trove of architecture, that has been considered one of the most beautiful cities in the world since the Middle Ages. Explore the „Golden Prague“, rich in history and culture, yet dynamic and forward-looking, that leaves a feeling of wonder in every traveler.

### THE CONGRESS VENUE: HOTEL HILTON PRAGUE

Overlooking the Vltava River, Hilton Prague is just a 15-minute walk from Prague's Old Town. The newly renovated hotel with an impressive skylight atrium has 791 guest rooms, 37 meeting rooms, well equipped fitness center, an indoor pool, sauna, as well as six restaurants including a rooftop bar & lounge with two terraces offering amazing panoramic views of the city. Everything you need for your conference under one roof.
